

ADL STYLE SIGN

Add an illuminated dimensional school identification or sponsor sign to any indoor or outdoor scoreboard.

- Available in many sizes.
- Promote school spirit.
- Add advertising sponsorship opportunities for additional revenue.
- Full-color imprinting included.
- Signage can be divided for maximum revenue exposure.

Combine your scoreboard with a Nevco monochrome or full-color message center to create a complete scoring and display system. Team/Sponsor signs also available.

INTEGRATED DISPLAY AND SCORING SOLUTIONS

Additional sizes are available.

GENERAL: Sign(s), UL/CUL listed, aluminum, illuminated type ADL, full depth of scoreboard, for indoor or outdoor use.

SIGNS: On indoor models the cabinet is painted on the face and all four sides. On outdoor models only the face is painted. Brackets supplied for installation.

IMPRINT: Imprinting available. Customer shall supply high resolution artwork to eliminate additional service charge and the PMS colors required.

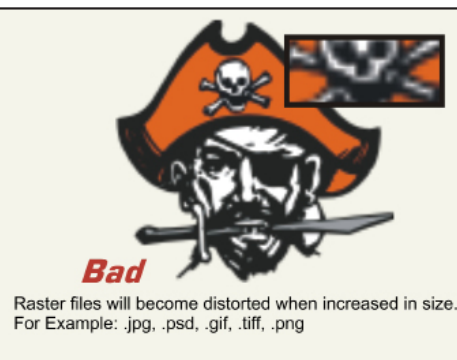

SIGN FACE: The sign face material shall be LEXAN 1/8" thick, pan type imprinted. Signs longer than 12 ft. require the sign face to be in more than one section.

VIEWING SURFACE: For the actual viewing surface for the imprinting, subtract 9" from the length and 7" from the height off the overall cabinet size of the sign.
