Control Receiver Hook-Up

Hassle free, connection security for your Shot Clocks and accessories

- Nevco includes an IAD for each slim shot clock ordered, at no additional charge.
- Connects to the Shot Clock via a cat5 cable.
- IAD is small, lightweight, and sturdy so it's easy to conceal and protected from game elements.
- Provides a safe enclosure so that all connections from the shot clock to the accessories are secure at all times.
- Integrates with MPC, MPCW-7 and MPCX₂ series controllers.
- Includes inputs for up to 8 Locker Room Clocks
