## Advanced timing features ideal for combination Baseball, Softball, Football, Soccer, Lacrosse, Field Hockey and Track facilities.

- Operate wired or wireless.
- Bright, long lasting, energy efficient LEDs.
- Gasketed digits reduce water intake.
- Large digits easily seen from long distances.
- Designed to withstand wind load speed zones exceeding 180 mph.
- Includes Possession Indicators and built-in Horn.
- White outline striping separates features for greatest readability.
- Lighted time colon and decimal; automatically adjusts to 1/10th of a second.
- When operating as a track board, the 1/1000th of a second displays.
- All 7600 Series models are compatible with third-party timing systems.
- Flexible mounting. Can mount directly to columns OR on laterals for complex or retro-fit installation.
- Flush sign mounting.

Combine your scoreboard with a Nevco monochrome or full-color message center to create a complete scoring and display system. Team/Sponsor signs also available.
