KEY FEATURES:

- Three shot clock sizes to meet your venue's needs.
- SSC-T5 & SSC-T9 clocks display game time as well as shot clock time.
- Integrates with Nevco End of Period Lights through the Indoor Accessory Driver (IAD) box (included with shot clock).
- Bright, long lasting, energy-efficient LEDs reduce power consumption and operating expense.
- Horn is encased in an external box that can be attached above or below the clock, ensuring sound clarity.
- New durable Lexan face and lightweight aluminum cabinet design can withstand heavy impact from basketball.
- Shot clock connects through cat5 cable to the IAD box, making it easily concealable and protected from game elements.
- Integrates with Nevco accessories, such as End of Period lights and Locker Room Clocks.
- Daisy chaining capability allows for single or double sided mounting.
