

STADIUM PRO 1000

CUSTOM DESIGNED
SPEAKER CABINET

SCRIM

SPEAKERS

SUBWOOFER

BENEFITS OF THE NEVCO STADIUM PRO 1000:

- The Stadium Pro 1000 provides a significantly and noticeable louder package at a comparable price.
- Superior intelligibility from speakers and low end performance subwoofer results in a higher definition of sound.
- Easier install compared to competitors, Nevco's light weight cabinet results in faster installation and less installation costs.
- Nevco provides the best-in-market 5 year warranty on speakers and custom designed speaker cabinet.

NEVCO STADIUM PRO 1000 VS. COMPETITORS

FEATURE	COMPETITOR	NEVCO STADIUM PRO 1000	THIS MEANS...
SPL (DB)	122dB	137 dB	The Stadium Pro system can get significantly louder. It also means you will not have to drive the amplifiers or speakers nearly as hard to get to the same volume level as the competition.
FREQUENCY RESPONSE (-10DB@1M)	45Hz to 13Khz	35Hz to 22Khz	The wider the frequency response the more accurate sound reproduction you will get across all types of uses. Especially important for live and recorded music.
FREQUENCY RESPONSE (+/-3DB@1M)	63Hz to 10Khz	48Hz to 18Khz	
CABINET SIZE & WEIGHT	8'W x 36''H x 42''D 850lbs	9'W x 48''H x 43''D 708lbs	Easier, faster install. Lower installation costs.
COVERAGE & ADJUSTMENTS/AIMING	60°H x 40°V 30°H (0°V adjustment)	Max 100°H and Max 40°V 42°H x 20°V	Greater coverage means more of your facility can be filled with quality sound. Adjustments/Aiming means that the sound can be better directed and customized for your unique facility.
POWER REQUIRED @ SPEAKER CABINET	Yes	No	Not having to run additional power to the speaker cabinet results in a faster, less expensive install
SUBWOOFER	No	Yes	Having a subwoofer will result in noticeably improved low frequency response/sound. This is particularly important for live and recorded music.
AMPLIFIER LOCATION	Located in the speaker cabinet	Located in climate controlled Press Box	Stadium Pro amplifiers are located in the equipment rack in the press box and protected from the elements. Amplifiers located in speaker cabinets will be subject to environmental challenges (heat, humidity, dust) and much more prone to failure.
WARRANTY	1 Year	5 Years Loudspeakers & Custom Designed Speaker Cabinets	Peace of mind
PRICE	Approx. \$32,000	Approx. \$32,200 list	Tremendous value being offered by Stadium Pro
